

New Piano for Leisure Technical Work

The Technical Work requirements for Piano for Leisure have been reviewed in order that they better align with the current Piano (2019) syllabus. From 2022, Piano for Leisure Technical Work will be a sub-set of the technical work that appears in *Piano Technical work Level 1* (2018) and *Piano Technical work Level 2* (2018). Users of the Piano for Leisure syllabus will need to refer to the 2022 Piano for Leisure syllabus for further details (available in digital PDF format from AMEB Connect or in the 2022 Manual of Syllabuses which is available in hard copy or digital formats).

Alternative syllabuses in 2022 and 2023

The revised Piano for Leisure syllabus will be examined concurrently with the version of the Piano for Leisure syllabus that last appeared in the 2021 Manual of syllabuses for two years after the release of the revised syllabus. From the start of 2024 the previous Piano for Leisure syllabus will no longer be available for examination.
